

## Providing Customers with High Quality Condominiums at Affordable Prices

**GOLDCREST is a Japan based developer and retailer of high quality condominiums**

---

GOLDCREST was established in 1992 with the aim of providing high quality condominiums at affordable prices. We define High Quality condominiums as those with ample space, high ceilings, high quality facilities, and concierge services much like those found in an exclusive hotel. We define Affordable Prices as those our customers find attractive and lower than our competitors.

## Operating Regions

**GOLDCREST focuses its entire operations in and around the Tokyo Metropolitan Area**

The Tokyo Metropolitan Area accounts for around 27% of the Japanese population or about thirty four million people. By specializing on this region, GOLDCREST sits at the center of the Japanese real-estate market – the most popular area in which to live in Japan.
